Hi! My name is Allison Sprague and I am the assistant director of Nano Nagle Children's Center. I am looking forward to this summer as I lead the summer camp with your children. I have experience with summer programs, spending at least two years running a program; I also have my Child Development Associate certificate. I look forward to seeing your children this summer! If you have questions please call!

Each month you will receive a calendar with daily activities. Each day will follow a similar schedule which will include free play time, morning snack, outside play, lunch (please bring your own), daily activities related to the week's theme, quiet down time, and afternoon snack. We will be going on field trips this year—details to come. We are also planning a few days to walk and spend at nearby Creekside Park. Each week will follow a similar format including.... Easy Mondays (a little more free play time and weekend recovery time).... Crafty Tuesdays (bigger art projects).... Wet Wednesdays (water play).... Project Thursdays (science projects).... Fun Fridays (variety of fun activities, including cooking, to kick off the weekend).

New this year!! We will be following the Summer Fit Learning Program. It is a summer bridge workbook that includes weekly goals for physical work, academic work, and personal values. We will spend about 20 minutes a day working from the books, and we will also include the lessons and values into our plans everyday throughout the day and themes.

Call with any questions!
